

In the heart of Central New York, you are the roots of our success.

What is the Annual Appeal?

The funds received through the Annual Cayuga Community College Appeal are made up of individual unrestricted gifts. These gifts are used to support our mission for use on the Auburn and Fulton campuses, to provide students with diverse learning opportunities to discover their passion and advance their personal and professional growth. Annual gifts are among the most important and valuable to Cayuga, because they can be used where the need is the greatest. They also help to meet new challenges and opportunities of modern higher education.

Ways of Giving:

Gifts from Alumni and friends provide the support that ensures our tradition of excellence. You can make a contribution to Cayuga College in any of the follow ways: check, credit card, or online giving (see our website to do so - <http://www.cayuga-cc.edu/giving/>).

Your Support is Appreciated:

Every gift is important and will be recognized with an acknowledgment, a gift receipt, listing in The Foundation's Annual Report, and in our Alumni magazine.

Choose Your Gift Purpose:

Unrestricted gifts provide the flexibility to direct your contribution where it is needed most at our Auburn or Fulton campuses. You also have the option to designate your gift for a particular purpose.

Matching Gifts:

Many employers offer matching gift programs that will double or triple your contribution for Alumni gifts. Please contact your Benefits Office to request a matching gift form, if possible.

Planned Giving:

Planned giving includes annuities, insurance policies, trust or bequests. Please remember your alma mater in your estate planning.

You can use the attached envelope to make your contribution today. Thank you for your support of your alma mater.

The Artistic rendering of this mosaic mural "Roots in the Finger Lakes" has been installed at the Auburn Campus and was supported with a Daniel C. Labeille Grant through the Cayuga Community College Foundation. Artist-in-Residence Jennifer Gandee created the design.
